### CERTIFICATE

- (a) Certified that I, Dr. M.M.Khan, Chartered Engineer and Project Consultant having Registration Number ((M-118907/1) do here by certify that I have personally inspected the above 2 Blocks of Gurudeva Public School managed by of Sri.P.Sundran, Chairman, Sree Gurudeva Central School, Kudikkad, Nedumankavu, Kottarakkara on this 30<sup>th</sup> day of July Two Thousand and Eighteen.
- (b) Now that it is certified that both the blocks ~~attached infrastructural arrangements~~ provided for the above School are structurally stable and sound for conducting classes for a period of One year at normal weather conditions.
- (c) As a result of my appraisal and analysis to the best of my knowledge and experience and to the status and power as the Chartered Engineer of India, (holder of Reg.No. M- 118907/1), it is my considered opinion that the above buildings have been provided with all essential statutory amenities for the well being, safety and statutory needs of the students and staff working in the said school and of the public visiting the premises.

- (d) The anticipated further life span of the structure is assessed as 30 years for the main building and 40 years for the new block under normal weather conditions.
- (e) The validity of the Certificate is for one year only
- (f) This certificate has been issued for producing before CBSC Authorities, New Delhi for obtaining affiliation for running the above School at Kudikkad, Nedumankavu.
